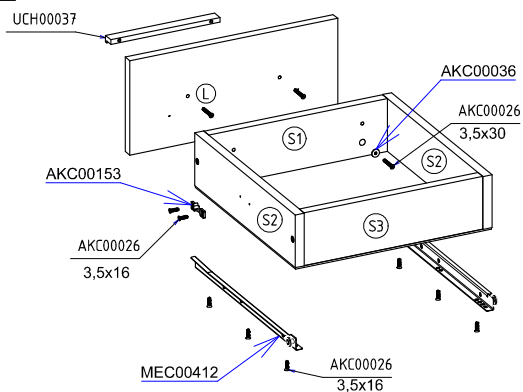

Diagram illustrating the assembly of a cabinet unit, showing various components and their assembly points:

- Top Panel (A):** The main top surface of the cabinet.
- Side Panels (B, D):** The vertical side panels.
- Back Panel (K):** The rear panel of the cabinet.
- Shelves (T):** Three horizontal shelves are shown being inserted into the cabinet frame.
- Drawer (L):** A single drawer is shown at the bottom right, with arrows indicating its sliding motion.
- Internal Components:**
 - WIE00003:** A horizontal support bar for the shelves.
 - AKC00023:** A small component, likely a shelf pin or support.
 - AKC00026 (3,5x16):** A small component, likely a shelf pin or support.
 - AKC00026 (3,5x30):** A small component, likely a shelf pin or support.
- Assembly Hardware:**
 - ZAW00013:** A hinge or bracket used for attaching the back panel (K).
 - ZAW00012:** A hinge or bracket used for attaching the side panels (B, D).
 - UCH00037:** A small component, likely a shelf pin or support.
