Exploded view diagram of the B2 unit. The diagram shows the following components and their assembly relationships:

- AKC00026**: A long, thin component (possibly a cover or frame) that fits over the top edge of the unit.
- MEC00396**: A small component (possibly a pin or clip) that secures AKC00026 to the main frame.
- AKC00023**: A small component (possibly a pin or clip) that secures AKC00026 to the main frame.
- AKC00029**: A component that fits into the bottom edge of the main frame.
- AKC00019**: A component that fits into the right side of the main frame.
- NOG00033**: A component (possibly a pin or clip) that secures the bottom edge of the main frame.

The main frame is labeled **B2** in a circle.

Diagram 1 illustrates the assembly of the cabinet body and top panel. The main components shown are the side panel (A1), the back panel (B1), the top panel (A2), and the bottom panel (C2). The side panel (A1) is shown with pre-installed shelves (G1) and a drawer front (D1). The back panel (B1) is shown with pre-installed shelves (G1) and a drawer front (D1). The top panel (A2) is shown being attached to the side panel (A1) using screws (AKC00120) and brackets (AKC0017). The bottom panel (C2) is shown being attached to the side panel (A1) using screws (AKC00151) and brackets (AKC0017). The diagram also shows the installation of the drawer front (D1) onto the side panel (A1) using screws (AKC00120) and brackets (AKC0017).
